Please find another dump site for this nuclear fuel & radioactive waste!!!! Do you  
not care what has happened in Fallon? I am a cancer survivor, and I do not want to  
worry about dying from Cancer!!! You are going to kill thousands of people. There has  
to be another solution to this problem. God help us all if Yucca Mountain is picked as  
this site!!! You an never convince me or anyone else that it will be absolutely safe.  
Wake up people!!!!
